

Dear Authors,

Thank you for your submission! To publish your article quickly, we require you to transfer the copyright of the article to the Editorial Office of *Guihaia* (herein after the Editorial Office). Please read and sign the Copyright Transfer Agreement and Author Statement below. This document will take effect immediately when all authors sign and the author affiliation stamps on it. If you refuse to sign this document or withdraw the article after signing, the Editorial Office will terminate its publication. After the article is published, the content of this document cannot be revised or withdrawn.

Manuscript Number : _____

Manuscript Title : _____

Authors' Names : _____

Authors' Affiliations : _____

Copyright Transfer Agreement

If the manuscript is accepted and published by *Guihaia*, all authors voluntarily transfer the copyright to the Editorial Office of *Guihaia* worldwide, including but not limited to the following rights: distribution right, compilation right, translation right, reproduction right, and right of information propagation on network. A more specific explanation is as follows: (1) The right to publish or use the article via various media or in other languages; (2) Without prejudice to the authors' rights and interests, using this article in a manner that does not violate the current or future laws and regulations of the People' s Republic of China; (3) Licensing all or part of the above rights to a third party; (4) Allowing third-party users to copy, distribute and use the article in any medium and in any form in accordance with CC BY-NC-ND 4.0 license. The copyright transfer fee is included in the remuneration paid by the journal and will not be paid separately.

The authors have right to use the article under the following circumstances: (1) The authors can reproduce, disseminate, and use the article under the license of CC BY-NC-ND 4.0; (2) The authors can use the article to apply for patents; (3) After 6 months of *Guihaia* officially publishing the article, the authors are allowed to re-publish the article in other

languages. When the article is re-published in other languages, it should be marked with that it was first published in *Guihaia*, and the year, month, and volume in which it was first published; (4) After 6 months of *Guihaia* officially publishing the article, the authors are allowed to include the article in the work collections of the authors or their institutions, as long as it is stated that the article was first published in *Guihaia*, and the published year, month, and volume; (5) The authors can use the article in other activities as permitted and authorized by the Editorial Office.

Special Notes.

If authors would like to re-publish the article in another language, please consult the research administration of their institutions in advance. When re-publishing the article, it is required to explain that the article was first published in *Guihaia* with the date of publication, so as to avoid any misunderstanding of multiple submissions.

If the article and related scientific research projects obtain awards at or above the provincial level or achieve certain economic or social benefits, authors can take the initiative to inform the Editorial Office and provide scanned copies or copies of relevant certificates. The Editorial Office of the journal can publicize and use the materials provided by authors in appropriate ways.

Author Statement

The authors of the article declare:

1. The contents of the manuscript have not been published in any language. Academic misconduct including multiple submissions, redundant publication, plagiarism, data falsification is not involved.

2. All authors have read the manuscript and there is no dispute over the content of this article, authorship, authors' order and copyright. All authors have agreed to publish this article in *Guihaia*, and also agree to transfer the copyright and related property rights of this article to *Guihaia* worldwide.

3. Each author institute has no intellectual property dispute over the contents involved in this manuscript, and has no objection to their own attribution and order. All institutes agree to publish all contents of the manuscript publicly (certified by seal).

4. There are no political mistakes, no leaks of political, military, science and technology secrets in this article, and it has passed the confidential examination by the Administrative Department of Scientific Research of the authors' institutions (certified by seal).

5. [Author Contribution Statement] All signed authors must materially participate in the research and/or article preparation, and have made substantial contributions to the following: conception and design of the study, acquisition of data, analysis and interpretation of data, drafting the article or revising it critically for important intellectual content, or final approval of the version to be submitted, etc.

6. [Statement of Competing Interests] The potential conflicts of interest to be declared in the manuscript are as follows (please write "None" if not):

7. In the event of any discrepancy between the above statement and the article, the authors shall take all the responsibilities and be responsible for compensating the Editorial Office for the loss. The Editorial Office shall not be jointly or severally liable.
